ANNUAL REPORT 2021-2022

The competent and dedicated staff of the college is fully responsive to the ever-changing needs of the students and the teaching methodology and together, continue to give the girls of Bareilly diverse opportunities, so that they can emerge as shining examples of good citizens in the society.

Sahu Ram Swaroop Mahila Mahavidyalaya is one of the leading Institutions of Higher Education for girls in Bareilly. We firmly believe that Education is a lifelong process and Institutions of Higher Education enjoy a unique position in this Mission. They not only shape the career of students and give wings to their aspirations but also bridge the Socio-Economic gaps in the process.

Playing the roles of mentor and motivator, the stakeholders of the institution are committed to making the students self-reliant and generate in them an awareness for their duty towards society. The college puts an emphasis on an all-round development of the students and this is reflected in the year-round academic, co-curricular, extracurricular and extension activities of the college.

The founding father of the college Shri Sahu Ram Swaroop Ji was a towering personality. In the midst of material richness, Sri Sahu Ram Swaroop ji kept a strong hold on wisdom and uprooted the orthodoxy of society by taking steps for women empowerment. He used his wealth as per the tenets of dharma and took up the noble task of embellishing and uplifting women by creating means for them to gain education to cast away illiteracy and fight exploitation. He played a vital role in shaping the personality of women in Bareilly. Sahu Ram Swaroop Mahila Mahavidyalaya is the most apparent result of his mighty efforts. The College, from its beginning has been continuously performing its duty of providing quality education to women coming from different strata of society.

Vision and Mission of the College:

The Vision of the College is “Women Empowerment through excellence in higher education, inculcation of moral and society values, personality development and inclusive growth.” It is the mission of the College to create women with intellectual competence, spiritual maturity, mental strength, who will champion the cause of justice, love, truth and peace and growth.
